

SMART Training Certification

SMART Response™

What to expect

- One day of basic SMART Response™ interactive response system end-user training. As a certification candidate, you will use this day to learn or review how to use the SMART Response system. You will also observe the sequence, emphasis and delivery method that a SMART Certified Trainer uses to facilitate the training session.
- One day of SMART Response certification training. You will receive facilitation material, coaching and practice that will help you deliver the high-quality SMART Response training sessions your customers expect from a SMART Certified Trainer.

Who should attend?

K–12 educators and education trainers who want to train others to use the SMART Response system.

You'll receive

Learning materials

- A *SMART Response Training Learner Workbook* – the learner's reference tool during the training session
- A USB drive, loaded with materials for learners to use during and after the session

Facilitation materials

- A *SMART Response Training Facilitator's Guide* – the comprehensive guide to deliver a SMART Response training session
- A Trainer Resource CD that includes demonstration files and training presentation files

Extraordinary made simple™

SMART™

After successfully completing the online certification assessment, SMART Certified Trainers gain access to electronic versions of the learning materials – and rights to distribute them to training customers. SMART Certified Trainers may also purchase production-quality learner materials directly from SMART.

What's the value of SMART Training Certification?

Upon the successful completion of this program, you will be certified to deliver full-day SMART training sessions for SMART Response.

- You'll receive a certificate, a letter of completion and logos that indicate your designation
- You can purchase or download SMART's learner workbooks
- You'll be listed as a SMART Certified Trainer on the SMART website:
<http://smarttech.com/us/Where+To+Buy/Individuals+Search>
- You can market yourself as a SMART Certified Trainer for the SMART Response system

What are the requirements to be a SMART Certified Trainer?

This program includes pre- and post-session requirements that must be completed before you receive your SMART Certified Trainer designation. There are also ongoing requirements to maintain your designation.

Pre-session requirements

- Participants must have solid working knowledge of the Microsoft® Windows® operating system
- Participants must be SMART Certified Trainers for SMART Notebook™ collaborative learning software

Post-session requirements

- All participants must successfully complete an online certification assessment

Ongoing requirements

- SMART Certified Trainers may be required to successfully complete an annual online assessment to maintain their designation

www.smarttech.com

Customer requirements for an on site session

- A room that will comfortably hold the participants
- A SMART Board™ interactive whiteboard or digital projector and screen
- Facilitator computer (provided by the facilitator). The facilitator computer must connect to the SMART Board interactive whiteboard. If your network security prohibits the connection of an outside computer, a facilitator computer must be provided.
- One computer per learner is highly recommended
- All computers must have the latest version of SMART Response software installed
- All computers must have the latest version of Adobe® Flash® player installed
- Internet access is recommended

How can I prepare for the session?
