SMART. | Collaborate Naturally™

SMART kapp iQ Pro

Where technical challenges disappear.
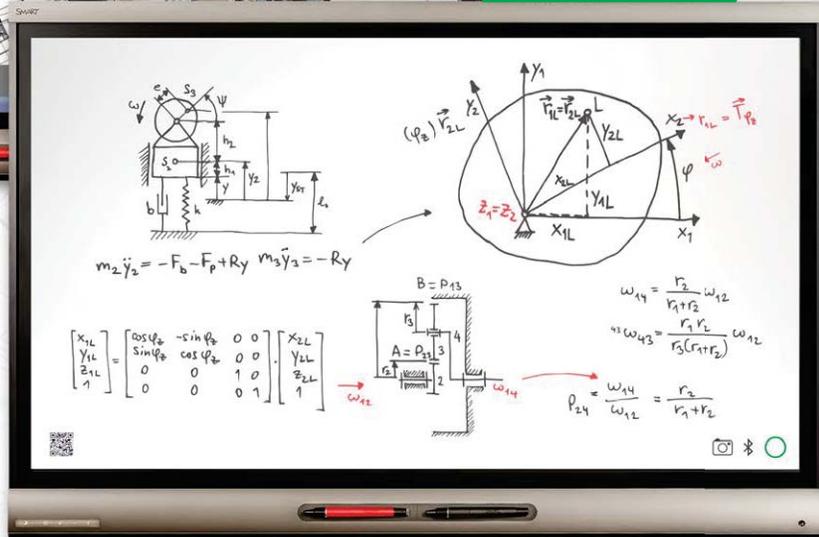

Half whiteboard, half Ultra HD display

kapp iQ Pro has all of kapp iQ's collaboration features, plus even more ways to share ideas through SMART Meeting Pro™ software. Tackle technical challenges in whiteboard mode when your team needs a blank canvas. For project management check-ins and design reviews, show the work on your laptop in stunning Ultra HD resolution on your kapp iQ Pro.

Key Features

Contribute from anywhere

Writing on your kapp iQ Pro with digital pens is as easy as paper. Anyone you invite can see and contribute to your kapp iQ Pro using their phones, tablets and PCs from anywhere.
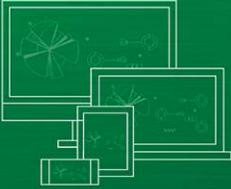

Ultra HD Display

kapp iQ Pro fits all sorts of spaces. Show presentations, videos and anything else you can display on your laptop on your kapp iQ Pro in sharp Ultra HD resolution.

Endless workspace

Imagine a whiteboard with no edge. On kapp iQ Pro you can write, add images and upload files on to one screen that expands as you work.

Write all over anything

PDF. PowerPoint. Excel. Autodesk. Even more. Now you can write over almost anything you display on kapp iQ Pro and save your work into the same file.

- Share your notes as you go with up to 250 people worldwide.
- Save and organize notes on your devices.
- Continue any whiteboard sessions where you left off.
- Send session notes as PDFs or JPEGs.
- Integrates with Microsoft Exchange and Office 365.
- See who contributed what to Adobe Reader documents.

- Zoom in, zoom out and move the screen with your hands.
- Share presentations, voice and video with SMART Bridgit™.
- Supports many design and engineering applications, like Autodesk (Navisworks, Revit, AutoCAD), Tekla BIMsight and SOLIDWORKS.
- Sync up to 16 kapp iQ Pros together in the same unbound Workspace.
