SMART Board® interactive whiteboard system

Model SB880i6

Overview

Your SMART Board 880i6® interactive whiteboard system combines the use of a SMART Board 800 series interactive whiteboard and a SMART UF70 projector along with other accessories and optional equipment.

The SMART UF70 projector provides an ultra-bright high resolution image on a short boom delivering high definition, high performance interactivity that is virtually shadow-free and glare-free. You can do everything you can do at your computer—open and close applications, meet with others, create new documents or edit existing ones, visit websites, play and manipulate video clips and more—just by touching the interactive surface. Four users can draw on the interactive surface at the same time, and you can use an array of gestures within applications.

The SB880i6 system supports video and audio from a variety of devices, including DVD and Blu-ray™ players, document cameras, and other high-definition sources, and is displayed on the interactive screen. All HDMI 1.4 inputs are HDCP compliant.

### Interactive whiteboard

| Touch resolution | 4000 × 4000 |

² Lamp life varies depending on the selected mode, environmental factors and projector use. Over time, the lamp's brightness decreases.
### Touch and gestures
Users can interact with the interactive whiteboard using the included pens or other objects or by using their fingers to write, erase and perform mouse functions. The Object Awareness feature enables you to pick up a pen, and then write, select or erase without replacing the pen. This interactive whiteboard also features gesture capability, providing a natural and flexible way to interact with content.

### Digitizing technology
Four-camera DViT® (Digital Vision Touch) technology with steel coated dry erase surface

### Pen tray
Optical sensors in the pen tray detect when you lift a pen or eraser from the tray. Color buttons on the pen tray enable you to select pen color.

### Accessories
Two ergonomic pens with comfort grip and rectangular eraser

### Extended Control Panel (ECP)
SB880I6 - included with the system, not pre-attached to the pen tray
