SMART Meeting Pro™ 2.2 and SMART Meeting Pro Premium 2.2

SMART Meeting Pro™ and SMART Meeting Pro Premium software are business solutions designed specifically for meeting management on SMART Board™ interactive whiteboards. The software installations include SMART Product Drivers 10.7.82.0, which provides extended support for SMART interactive products that support multitouch gestures and Touch Recognition.

Both solutions have a SMART Business toolbar and very intuitive interactive whiteboard features, which makes them easy to use, so you can deliver better meetings and better results.
