

Professional Learning

Maximize the impact of your SMART investment

Specifically designed by educators to meet the pedagogical needs of the classroom, SMART's Professional Learning will enhance your educators' existing teaching practices with technology and help you improve student outcomes.

Your Professional Learning session features:

- Up to 30 participants (teachers, coaches or site-based leaders)
- Choose in-person instruction at your location or an interactive online session
- Content tailored to meet your organization's technology and learning goals
- Integration of your existing curriculum content and learning materials with your SMART Solution
- A robust training resource package for participants to share with colleagues
- Access to SMART's Professional Learning Community
