

SMART.

# SMART kapp iQ

Display. Whiteboard. Videoconference hub.

Everything you need is one touch away

SMART kapp iQ® gives one-touch access to a whiteboard, a web browser and wireless screen sharing, all without the need for external PC. Plus, plug in your laptop and you can videoconference using your software of choice.

# Key Features

## Ultra HD Display

kapp iQ fits all sorts of spaces. Show presentations, videos and anything else you can display on your laptop on your kapp iQ in sharp Ultra HD resolution

## Contribute from anywhere

Writing on the display with digital pens is as easy as paper. Anyone you invite, up to 250 worldwide, can see and contribute to everything on the display using their devices.

Touch. Write. Swipe. Control the display with your hands.

Save and organize notes on your devices. Send as PDFs or JPEGs.

Protect sensitive work with encrypted connections.

The panoramic whiteboard scrolls left to right, giving you more room to work.

Instantly access the internet with built-in web browser.

Share content on the display over the same WiFi network from a variety of personal devices.

Connect a guest PC or other multimedia devices to the display.

**ENERGY STAR® compliant**  
Certified to save energy, lowering your total cost of ownership.

## Powered by kapp app

Get the kapp app and connect your device to your kapp iQ.

Start writing. The group follows and contributes to kapp iQ on phones, tablets and PCs.

Send invite with web address.

Tap to save notes, erase and repeat.

Email notes when you're done.

Continue any session where you left off.
