

SMART Board

# M Pro series TAA

The M Pro series TAA display enables government teams to efficiently deliver interactive training and prepare for assignments.

Whether you're delivering training, analyzing data, or just bringing team members up to speed, the M Pro series TAA makes everything simple while staying secure.

55" | 65" | 75" | 86"

Available to purchase through most government contracts:

#### Trust in TAA

The M Pro series TAA is manufactured in North America.

#### Work with the Best Tech

SMART's embedded iQ comes with a built-in shareable whiteboard, ready to go templates, and much more.

#### Enjoy Free SMART Software

SMART Meeting Pro and SMART Remote Management\* included with every purchase.

#### Google EDLA-certified

Our Enterprise Device License Agreement with Google gives agencies the option to access a secure Google eco-system.

#### Meet Your Way

Host and join meetings using on-premise video conferencing, or external meeting solutions.

#### Ink Efficiently

SMART Ink desktop annotation software enables participants to directly annotate into PDF and Microsoft Office files without clunky overlays or app switching.

#### Interact without Interference

Only SMART displays allow multiple users to simultaneously write, erase, and move objects on the display without interfering with each other's work.

#### Bring stability to your solution

Also compatible with our TAA compliant adjustable electronic stand (not included).

#### Make Decisions with Clarity

Sharper, brighter, and high-contrast visuals thanks to a 4K UHD LED display.

#### Write Like Pen-on-Paper

Enjoy up to 40 touchpoints with pens, fingers, and erasers. Experience a smooth and accurate inking experience within any app.

#### Hear Every Detail

A pair of powerful speakers provide up to 40W of crisp audio.

#### Set Up with No Fuss

Supports multiple HDMI, USB-C, USB-B, USB-A, and VGA ports. No additional adapters are required.

\*Remote Management subscription is valid for the duration of the warranty.
