# Get started with Lumio

Use the checklist to apply what you have learned!  
Try each activity and check it off as you go!

## What is Lumio?

- Sign-in to Lumio using your Google or Microsoft account.

## Explore Resources

- Explore the Lumio Library, search for an existing resource, and save to your My Library.

## Combine Existing Resources

- "Mash-Up" existing resources by importing a PDF, Google Slides, PowerPoint, or SMART Notebook file you already have.

## Game-Based Activities

- Create a game-based activity to help students practice a skill or strategy.

## Ready-Made Activities & Collaboration

- Add a ready-made Graphic Organizer to a Lumio lesson.
- Convert the graphic organizer to a Whole-Class Whiteboard or Group Workspace.

## Check for Understanding

- Create an assessment using Response.
- Add a ready-made question and reflection activity to check student understanding of a topic or concept being taught.

## Connect Student Devices

- Start a lesson from your My Library in Lumio and get students connected.

## Share with Teachers

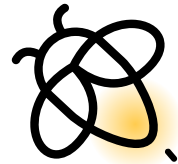

- Share an individual Lumio lesson with a colleague.
- Create a Shared Library and add colleagues for easy collaboration.  
*\*Available with a [Lumio Spark subscription](#)*
- Apply to become a [Lumio Ambassador](#) and share a Lumio lesson to continue learning.

# Activate the 4 C's Checklist

Use the checklist to enhance your lesson, keeping the 4 C's In mind.  
Communication - Collaboration - Creativity - Critical Thinking

## Communication

- Add **AUDIO** for instructions
- Add a **YOUTUBE** clip to build curiosity
- Create a **SHOUT IT OUT** activity to brainstorm or check in
- Use a **WHOLE-CLASS WHITEBOARD**

## Collaboration

- Convert a page to a **GROUP WORKSPACE**
- Add a **RANK ORDER** as a Think-Pair-Share activity
- Create a **MONSTER** or **TEAM Quiz** activity
- Convert a page to an **INDIVIDUAL HANDOUT**

## Creativity

- Give students a **NEW BLANK PAGE**
- Add a **MAKING WORDS** activity
- Create a choice board with **FLIP OUT** or **LABEL REVEAL**
- Add a blank **GRAPHIC ORGANIZER**

## Critical Thinking

- Add a **RESPONSE** as a formative assessment
- Add a **3-2-1 QUESTION/REFLECTION**
- Create a **SUPER SORT** without category titles
- Add a **WORD SEARCH** with words hidden
